

**John 16:26~** **In that day you will ask in my name, and I do not say to you, that I shall make request of the Father concerning you.**

**1· Then Jesus told them, that in that day they would ask the Father for things in his name, but that then he, Christ, would not have to make request to his heavenly Father concerning them.**

**[Question]** What day did Jesus show was coming, and who would they not have to ask then, and why?
