

John 18:14~ Caiaphas was, in fact, the one that counseled the Jews, that it was to their benefit, for one man to die in behalf of the people.

1· Caiaphas was the one in fact that had earlier counseled the Jews, that it was better for their nation, for one man to die in behalf of the people, rather than for them to lose their place within the nation, under Roman authority.

[Question] How had this Caiaphas earlier counseled the Jews regarding Jesus?

2· And you do not reason out, that it is to your **benefit**, for one **man to die in behalf** of the **people**, and not for the whole nation to be destroyed. (**John 11:50**)

[Question] What did Caiaphas counsel, would be better for the nation of Israel, than to let Jesus live?
