

John 4:32~

But he said to them; I have food to eat, of which you do not know.

1· Yet Jesus replied to them, that he had food to eat, of which they did not know. He was however referring to his doing of the will of his heavenly Father, and he was feeding this need within himself by witnessing as he had done to the woman at the well.

[Question] What though, was Jesus referring to as food for his spirit, and how was this need filled within him?
