

John 4:33~ Therefore the disciples began saying to one another; No one has brought him anything to eat, has he?

1· Yet his disciples assumed, that he was talking about literal food, and so they questioned one another as to whether anyone had given him food to eat, or whether perhaps he obtained food from someone else while they were gone.

[Question] What though, did his disciples say to one another, while not quite getting the point?

2· Noting this, he said to them; Why do you argue over your having no loaves? Do you not yet perceive and get the meaning? Do you have your hearts, dull of understanding? **(Mark 8:17)**

[Question] What were they also slow to understand, on another occasion?
