

John 6:32~

Hence Jesus said to them; Most truly I say to you, Moses did not give you the bread from heaven, but my Father does give you the true bread from heaven.

1· So Jesus told them, that what Moses fed the people with there in the wilderness, was not the true bread from heaven, but it did symbolize it. Jesus then showed, that the true bread from heaven was now being given to them.

[Question] What did Jesus tell them, was not the true bread from heaven, and what did he show was that true bread?

2· For God loved the world so much, that he gave his only-begotten Son, in order, that everyone exercising faith in him, might not be destroyed, but have everlasting life. (John 3:16)

[Question] What did Yehowah God show to mankind by the giving of his firstborn son to them, and to what end purpose?
