

**John 8:13~** Hence the Pharisees said to him; You bear witness about yourself, your witness is not true.

**1·** So the Pharisees present accused himself of bearing witness about himself, thus claiming that his witness was not true. Yet Jesus had every right to bear witness about himself, for the Father was with him in all that he did. He was clearly not lying.

**[Question]** What then, did the Pharisees accuse Jesus of doing?

**[Question]** Why though, was Jesus right, in bearing witness about himself?
