

John 9:19~ **And they asked them; Is this your son, who you say was born blind? How, then, is it, he sees at present?**

1· So when the man's parents arrived they told them accusingly, asking if this was their son, whom they say had been born blind. How then, if this was the case, could they explain, that he now sees clearly.

[Question] What then, did the Pharisees accusingly state, when the man's parents were brought in, and so what did they ask his parents?
