

Ephesians 5:28~ In this way husbands ought to be loving their wives as their own bodies. He who loves his wife loves himself.

1· Husbands also should be loving their wives, like they love their own bodies, for they are joined together as one flesh through the marriage union. A man who thus loves his own wife, loves himself.

[Question] How also should a husband love his wife, who is one flesh with him?

2· In case a man takes a **wife and actually has relations with her and has come to hate her. (**Deuteronomy 22:13**)**

[Question] What Law governed divorce of an engaged woman, who was found not to be a virgin?
